| Midtown Roswell Study and Plan | 121 |
| Holcomb Bridge Road East of Georgia Highway 400 | 121 |
| Other Potential Redevelopment Study Areas | 121 |
| Demographic Trends and Market Outlook | 121 |
| REDEVELOPMENT PROBLEM IDENTIFICATION AND ASSESSMENT | 122 |
| Finding #1: Roswell has too much retail space. | 122 |
| Finding #2: Roswell's average retail rent is relatively low. | 123 |
| Finding #3: Roswell's retail structures are in need of updating. | 123 |
| Finding #4: Limited lifespan of Big Boxes adds to the problem. | 125 |
| Finding #5: Deliberate vacancies hurt neighboring retail. | 125 |
| Other Findings. | 125 |
| FRAMEWORK FOR DETERMINING OPTIMAL USE OF LAND | 125 |
| Recommendation #1: Roswell's commercial redevelopment should not only be contained and buffered but also interfaced with surrounding residential areas. | 125 |
| Recommendation #2: Roswell's redevelopment should build on its sense of place. | 125 |
| Recommendation #3: Roswell should continue to encourage neighborhood retail and the updating of outmoded centers. | 125 |
| Recommendation #4: Deliberate vacancies should be discouraged. | 126 |
| Recommendation #5: A balanced tax base should be maintained. | 126 |
| Recommendation #6: Some retail should be converted to office. | 127 |
| Recommendation #7: Some retail should be converted to residential. | 127 |
| Recommendation #8: Redevelopment needs to be green, but economically feasible. | 128 |
| Recommendation #9: Some retail should be converted to schools and religious institutions. | 128 |
| Recommendation #10: Redevelopment should be mixed-use and transit-friendly. | 128 |
| Recommendation #11: Redevelopment requires inter-departmental cooperation. | 128 |
| TOOLS AND INCENTIVES TO ENCOURAGE REDEVELOPMENT | 129 |
| INFRASTRUCTURE | 129 |
